

General Information

Dataset short name (all lowercase, no spaces): _____

Title: _____

Update Frequency: _____

(daily, weekly, monthly, biannually, annually, as needed, continually, irregular, not planned)

Data License:

Description/Abstract:

Resource Contacts: _____

(first name, last name, position, organization, email address, ORCID if available)

Resource Creators: _____

(first name, last name, position, organization, email address, ORCID if available)

Metadata Providers:

_____ (first name, last name, position, organization, email address, ORCID if available)

Geographic Coverage

Global coverage? yes No

If 'No' above:

West (decimal degrees): _____

East (decimal degrees): _____

South (decimal degrees): _____

North (decimal degrees): _____

Taxonomic Coverage

Description:

(Scientific Name, Common Name, Taxon Rank for all species or at higher level if all part of one higher level rank)

Temporal Coverage

Temporal Coverage Type:

Keywords

(separate with a comma):

Associated Parties

US MBON Ocean Expert Institution: _____

(see <https://ioos.github.io/mbon-docs/metadata-eml.html#appendix-how-to-create-an-oceanexpert-institution>)

US MBON OBIS Institution: _____

Individuals

(party: first name, last name, position, organization, email address, ORCID if available)

Associated Party: _____ Role: _____

Associated Party: _____ Role: _____

Associated Party: _____ Role: _____

Associated Party: _____ Role: _____

Associated Party: _____ Role: _____

Associated Party: _____ Role: _____

Project Data

Title: _____

Identifier (if available): _____

Description:

Funding: _____

OBIS Metadata

Study Area Description:

Design Description:

Project Personnel: _____

(first name, last name, position, organization, email address, ORCID if available)

Sampling Methods

Study Extent: _____

Sampling Description:

Quality Control: _____

Step Description:

Citation:

Resource Citation (if available): _____

Resource Citation Identifier (if applicable): _____

Bibliographic Citation (if applicable): _____

External Links:

Resource homepage: _____

Other Data Formats: _____

(Name, Character Set, Download URL, Data Format, Data Format Version)

Additional Metadata

Resource Logo URL: _____

Purpose: _____

Maintenance Description: _____
